(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner introduced the above reference to Applicant's representative and also explained why the reference reads on the claims, except claims 40 and 44. The Examiner thus suggested the Applicant to rewrite claims 40 and 44 into independent form and cancel other claims to put the case into allowable condition. The Applicant agreed to do so.
